

An onslaught of (Chaotic) Deceiving Spirits Transforming and Ensnaring Masses into Witchcraft

Pat Holliday's book, "Cosmic Consciousness" concerns the how the unfaithful part of the Christian Church is using bewitchment and psychological powers to ensnare people into witchcraft. She says, "New Age spiritual transformation is building its avenue into many Christian Churches to shift its spiritual consciousness. She says, "The word transformation, means a shift, or a qualitative change, a transfer from the original spiritual tenets to a switch over to a new religious belief system. Change agents are shifting the church by using powers of witchcraft through the mediums of astrology, reincarnation, higher planes of being, expanded consciousness, we all are God, pantheism, UFO's and other nutty things. If you like your life guided by the demons out of hell, go New Age! Satan will love you."

Dr. Holliday says, "This book will help you understand what is happening in the Church system today. Quoting Pastor David Wilkerson statement, "the Church needs more troublemakers," seems to fit her life into his view as a troublemaker." She has questions, "Where do you fit? Are you docilely being seduced into the church that you believe whatever any latest "Christian star, excuse me, Idol," tell you? Do you want to believe God's Word and His Son Jesus? Jesus had more to say about false prophets than any other message. Where are you standing? Do you find yourself remaining firm in your faith in Jesus Christ and His Word? Do you find yourself in a personal relationship with Jesus Christ? Or do you find yourself fitting in, and running after the moonbeams who are shown in the book of Jude? Many churches today are full of silent, gentlemanly diplomats, not wanting to make waves! Nobody wants trouble! So the devil's kingdom goes unchallenged. We have more than enough smiling, mousy Christians!"

"Cosmic Consciousness is a book that challenges the church to awaken from its spiritual slumber. Citing David Wilkerson, "We need more troublemakers in the church! I pray that every member of the body of Christ would become a troublemaker! We need an army of troublemakers who have become so full of the Holy Ghost they will stir up and trouble New York City and every other city around the world; trouble their wicked institutions - challenge the established dead churches - trouble the leaders, the mayors, the city councils, the community leadership! In other words, we need Holy Ghost troublemakers moving in the Spirit, proclaiming the kingship of Christ so effectively that whole cities are stirred!"

Dr. Holliday believes that "Today there is a special onslaught of (Chaotic) deceiving spirits upon the Church of Christ, the fulfilment of the prophecy which the Holy Spirit expressly made known to the Church through the Apostle Paul, that a great deceptive onslaught would take place in the "later times." Since the utterance of the prophecy, more than two thousand years have passed by, but the special manifestation of evil spirits in the deception of believers today, points unmistakably to the fact that we are at the close of the age."

Dr. Holliday's concern is, "Will the masses of distracted and undiscerning Christians of the last days become so spiritually blinded and oblivious that Satan will get away and achieve his

greatest project? Will he accomplish the task of blending and melding “Christianity” with witchcraft? Sadly, it is happening before our very eyes! By means of a crafty plan of gradualism, churches are being transformed into de facto covens of occultism and witchcraft. It is not a direct attack that is causing this. So-called “Christians” are being taught, induced, and indoctrinated to think like witches while maintaining Christian terminology. Mainstream “Christianity” is rapidly becoming nothing more than witchcraft with a cross on the top. Witchcraft is not just spells, incantations, magic, and rituals. It is, first of all, a way of looking at things: a thought pattern and process, and the rest of the involvement comes later. ¹

She believes that many in the Church have been employing religious mystics, philosophers, writers, and artists who have left the foundations of the Word of God. Not only that, but they are occurring with increased frequency that this is marked, what is perceived an evolutionary trend. They affirm strongly that one day a "cosmic consciousness," would be as common in the human race as self consciousness currently is. They establish this belief on a notion on the evolution of humans who will take a quantum leap into their god hood. These bizarre ideas are based on the manner in which they say the ancestors of man slowly climbed from the simple consciousness of animals to an almost universal state of self consciousness. They want you to consider religious illumination from a psychological perspective.

Holliday asks, “How has it happened that the greatest country in the history of the world is teetering on the brink of total collapse and spiritual destruction? How is it that the Greatest Christian Movement that the world has ever seen, appears to dying before our eyes? " No nation which denies God or departs from the Lord God has, or ever will, endure. So as America changes her God, we can anticipate far reaching global repercussions, not only economically and politically, but more so spiritually. In a world of spiritual darkness, man will attempt to guide himself by the Satanic constellations of secular humanism, New Age religions, atheism, eastern mysticism, and occultism, America as the last bastion of true Biblical Christianity, was a spiritual lighthouse in a global storm of confusion. There is an answer, however, for the world, both individually and collectively, which is a spiritual rebirth through the person and work of the Lord Jesus Christ.

As you read Dr. Holliday's book, "Cosmic Consciousness" you will discover the surprising -- secrets of the change agents and mind handlers who are moving the Church away from traditional Christianity into a global faith based on witchcraft. Read excerpts at the agape publishers website right now and purchase it online. Remember this is not fiction but a true drama in the Christian Churches. Cosmic Conscientiousness is real and it is on the rise and it is widespread and happening now!"
